EQUIPMENT SPARE PARTS

Equipment Spare Parts (ESP) provides contractors and service companies with a unique source of spares for refrigerated cabinets installed in retail and catering establishments throughout the UK.

We stock spare parts and accessories for the vast majority of the world's leading refrigerated cases including **Foster, Ahmet Yar, Williams, Norpe, Honeywell Elm, Koxka, Carrier Linde, Hussmann, EPTA, De-Rigo, Kaplanlar** and more.

ESP is a complete 'one stop shop' solution. Large stocks of spares are maintained, including the specialist items only usually available from the manufacturer.

We are your single source of any case or cabinet spare – if we don't have it in stock, we will source it for you.

Items are dispatched for next day delivery on all orders received before 4pm.

WE ARE COMMITTED TO YOU

We are continually reviewing our stock range in order to provide our customers with high levels of availability, and to avoid delays caused by items being sourced direct from manufacturers' factories, which can result in cabinets being de-merchandised and 'off sale'.
